Rice

India / Switzerland 2017

14.00 Minutes / HD Video / with sound

Concept / Camera / Editing Nesa Gschwend

3 hours have been needed to carry the 28 tonnes of rice into the store.

This rice will feed around 300 people for a year.

1 sack of rice weights 50 kg.

Each man carries nearly 6 tonnes on his head.

Their age is between 35 and 75 years.
